

The **Kingdom Oneness** purpose is to reach out in love to build authentic engagement and deep, transparent, multiethnic relationships- internally and externally - to lift up the intentional diversity of God's mighty Kingdom.

We build our work guided by two scriptures:
Revelation 7:9 & Ephesians 2:13-17

They make clear God's heart for both oneness and diversity in His Body.

Our work includes:

- Christian Education classes and discussion groups
- Field trips to culturally significant historic places
- Strategic partnerships with other churches and community-based organizations
- Programs emphasizing inclusive, worship and racial awareness
