A new group starts in the beginning of Fall 2026. Grief Share is a welcoming place where people understand the difficult emotions of grief. In this 13-week group, you'll discover what's "normal" in grief through discussions of videos featuring leading grief recovery experts. Since there are no orderly stages of grief, you'll learn helpful ways of coping with grief and gain solid support. Griefshare is open to any adult who has experienced the death of a family member, friend, or loved one. Contact Keith Swartz at keswartz@juno.com for more information and registrations.
